Rural Innovator Award – 2022-23 **Announcement**

Office of the Science City announcing that no one got qualified for the "Rural Innovator Award – 2022-23".

Reasons are as follows:

1. Applicants submitted their projects with '**Plagiarism**', means that it is stereotyped information from the other's work published already in various Scientific Journals.
2. Not used the prescribed application format for the year 2022-23.
3. Applicants were not belonging to the **Rural Area**.
